

Principal Applications & Specifications Utilisations et spécifications principales Aplicaciones y especificaciones principales

A – Fastest moving items
 B – Fast moving items
 C – Good moving items
 D – Fair moving items
 L – Availability limited to existing inventory. Consult your representative for details.

N – New
 R – Racing
 S – Specialized applications
 W – Slow moving items

A – Articles à plus forte rotation
 B – Articles à forte rotation
 C – Articles à rotation normale
 D – Articles à rotation acceptable
 L – La disponibilité se limite au stock existant. Consultez votre représentante ou représentant pour tous les détails.

N – Nouveaux articles
 R – Compétition
 S – Applications spécialisées
 W – Articles à faible rotation

A – Artículos de salida más rápida
 B – Artículos de salida rápida
 C – Artículos de salida constante
 D – Artículos de salida intermedia
 L – Disponibilidad limitada al inventario existente. Consulte con su representante para obtener mayores detalles.

N – Nuevo
 R – Competición
 S – Aplicaciones especializadas
 W – Artículos de salida lenta
